

Welcome to Your New Online Newspaper!

Welcome to your brand new and exciting online school newspaper.

On here you will read some wonderful posts, see great images and watch cool videos – all thanks to the wonderful students who will create memories of their time at our school, and to all the teachers and staff who will help contribute as well.

Thank you to for making this all happen.

“It will be great for students and their family to come back in years to come and revisit their work, their aspirations and to reflect on the major impact (school name) has made on their school life.”

We hope everyone – teachers, students, parents, grandparents, friends (even the neighbours!) will enjoy reading this newspaper, and please feel free to make comments and give feedback on the posts of your choice – the students look forward to receiving your responses!

Thank you from the school and the Team @ Cabu!
