

Permission to Display Photos, Art Work & Student Writing on the Pukepoto School Web-Site

As part of our focus in providing the best for our students, we have recently uploaded our school web-site. The information on the website is vital to provide something that will serve students, parents and teachers. A large part of the reason for doing this is to enable the children to provide input to the website with their work.

We would like to gain your permission to display photos of your children on the website as well as items of their work such as art and writings.

NOTE*

If you do not wish for your child's photo/work/writing to be displayed on our school website we still require a parent /guardian to sign and return the form to school as soon as possible so the information can be added to our school management system.
